BEAUTY

The Color Purple

Remember how morbid black nail polish seemed when it first began showing up on the fingertips of fashion-y types. On the runways, models at Christian Dior and Rachel Roy sported some intense plum hues, but off the catwalk, a juicy blackberry tint is your best bet. Two to try: Nars's sheer mulberry Fast Ride (\$24 at department stores, Sephora stores or www.narscosmetics.com) or Urban Decay's semi-sheer burgundy shade Confession (\$22 at Sephora stores and www.urbandecay.com).
